- (3) Authorizing the Division to complete  
reclamation at the B&H Quarry; and
- (4) Granting such further relief as the  
Board may deem just and reasonable  
under the circumstances.

**MOTION TO CONTINUE HEARING**

Docket No. 2013-038  
Cause No. S/039/0020

---

The Utah Division of Oil, Gas, and Mining ("Division"), through its attorneys and pursuant to Utah Code § 40-8-6, hereby moves the Utah Board of Oil, Gas, and Mining ("Board") to enter an order that continues this matter until the Board's hearing scheduled for March 26, 2014. The Division makes this request in order to have proper time to serve Mr. Haas at all known addresses. Continuing this matter to the March Board hearing will allow the Division to re-notice the matter to Mr. Haas, who claims he was not properly notified, and will allow the parties another month to

prepare for the hearing. In light of the fact that Mr. Haas refused to provide a valid address, and considering that Mr. Haas was notified by telephone of the pending proceedings, the Division feels that it has exceeded its obligation in re-noticing this matter to all addresses on file for Mr. Haas.

Moreover, continuing the matter to the March 26 Board hearing will not prejudice any interested party. Even if this matter were to be heard in February and the Board were to grant the relief requested in the Notice of Agency Action, the Division would nonetheless have to wait several months to complete reclamation because seasonal weather conditions do not allow reclamation work to be completed until after the winter has concluded. Therefore, hearing this matter in March will not materially alter the Division's ability to reclaim the site if the Board so orders.

A [Proposed] Order to Continue Hearing is attached for the Board's convenience.

DATED this 28 day of January, 2014.
